Performance (Other)

Totally Unreal Book Club - Live Podcast / 2pm-3:30pm / Panel Room 1

It's a faux book-Club where we review books (and in this case an anime) that doesn't exist! We run

through and entire story, characters, and synopsis of an anime that isn't real and present it as if it is completely off the top of our heads! There will be some audience participation and interaction as well!

The Voices of Anarchy / 4pm-5:30pm / Main Stage

Come one, come all to The Voices of Anarchy live improv comedy show! We'll run you through 90 minutes of short form, unscripted, and off the walls comedy just the way your momma used to make... you avoid. Except since it's all ages, she can come too! Lead by Synaptic Chaos Theatre's Will Wood, this all new cast of young comedians are ready to perform for you at Anime Evolution: Akimatsuri!

Cultural

Eishin Ryu Iaido Demonstration / 2:30pm-3pm / Main Stage

A demonstration with Q&A about Iaido, a traditional Japanese sword martial art about the art of drawing and cutting with the katana.

Vector 7 & Vectorish / 3pm-4pm / Main Stage

Vector 7 is coming back with Vectorish this winter! Dance to Momoiro Clover Z, DA PUMP, Suzumiya Haruhi and Love Live! Interactive games and Japanese comedy manzai are must-sees too!

Interactive/Panel

CosFamous: Social Media and Self Promotion / 12pm-1pm / Panel Room 1

Ever seen big name cosplayers and hoped you could be one of them? Wondering why posts of your cosplays aren't gaining any attention? Want to be shared out by major corporations and media outlets? This panel discusses the phenomenon known as CosFame and offers helpful insight.

Fanfiction Panel of Doom 3 / 1pm-2pm / Panel Room 1

Love good fanfiction? Hungry for cake? Great, because this panel has neither! After having scoured the web for, like, 5 minutes, we've unearthed the worst it has to offer. We'll take you through some of the most random, ridiculous and poorly written fanfiction ever! The PG-13 edition!

Detroit: Become Cosplay / 3:30pm-4:30pm / Panel Room 1

Q&A with the Detroit: Become Human characters.
